# Remember . . .

Bring your family, friends and neighbors to remember and celebrate the beginning of America's Revolution and the individual who history would declare as America's most indispensable man—George Washington.

Our program will feature Gary VanDolzer, an accomplished actor who has immersed himself in the life and times of Washington. Gary portrays the general wearing a replica of the uniform on display in the Smithsonian. As part of his inspiring presentation, highlights will be shared from Edwin G. Burrows' book: *Forgotten Patriots-The Untold Story of America's Prisoners During the Revolutionary War*.

The widely acclaimed **Utah Old Time Fiddlers** will be providing their talent for an unforgettable musical performance, a delicious supper will be catered by Majestic Grill. And an uplifting patriotic program will inspire you to honor and remember those who bought our liberty and freedom with their blood, sacrifice and toil.

*Celebrate America's Greatness!*
