"Celebrate America" Program and Banquet

**BRING YOUR FAMILY AND FRIENDS TO MEET AND HEAR
BENJAMIN FRANKLIN!**

Farley Anderson portrays Ben Franklin

You, your partner, family, friends, and neighbors are cordially invited to attend the Utah SAR Celebrate America Recognition Program and Banquet being held at the West Valley Centennial Park, Community Room "A". The UTSSAR will be recognizing several patriots and outstanding citizens who represent the cherished values of Patriotism, Virtue, and Courage. We will be honoring Utah's Top Eagle Scout, Utah's Top JROTC Cadet, and State Law Enforcement Officer and others.

Come and celebrate the extraordinary accomplishments of these deserving individuals.

Our nationally recognized speaker, **Farley Anderson**, is the founder and director of Covenant America, a non-profit organization that promotes spiritual patriotism and public awareness of individual liberty. Anderson who performs his presentation dressed as Benjamin Franklin speaks to a series of 15 paintings that he commissioned: **Art To Move A Nation** focuses on the principles of America's founding and Constitution.

In past presentations Anderson reminds his audience that, "The most important people in America are seekers of an education. . . .That means you! . . . In order to be an American, you need to know your history," Anderson, reminds us that if people want to take away our being an American, take away our great heritage, if we don't know who we are, it's possible that could happen.

The paintings Anderson speaks too were painted by well known Utah artists and beautifully portray scenes of significance to America's Revolution and the country's future. Anderson's presentation is inspiring, providing an uplifting message that honors America's past patriots and those who would defend our God given liberty today.

**Bring your family and friends and celebrate
America's glorious past,**

**Celebrate Utahans who have achieved the
extraordinary!**
