For a delicious dinner with Dan Fisher, a Reverend, Oklahoma State Representative, and Re-enactor. His message of the great and godly ministers who inspired the American Revolution is one of the most stirring stories of our nation's history. Their courage and commitment to truth and liberty will inspire you and lift your heart. Called "The Black Robed Regiment" by the British who feared their influence on the colonists, these patriot preachers boldly proclaimed the biblical principles of government and liberty to their churches and when the time came, they bravely led the men of their congregations off to fight the battles for the unalienable rights of life, liberty, and man's pursuit of happiness. You will not want to miss Reverend Fisher's inspiring message! For more information concerning dinner menu, registration and map go to: [www.cdutah.com](http://www.cdutah.com)

Author of the book, *Bringing Back the Black Robed Regiment*, Dan Fisher has carefully researched and written about America's godly heritage.

Dan Fisher re-enacts the inspiring story of Reverend Muhlenberg, the great Revolutionary War champion of liberty and man's unalienable rights.
