Daughters and Sons of the American Revolution

- George Washington Birthday Banquet -

YOU WILL NOT WANT TO MISS THIS EVENT!

You and your partner, family and friends are cordially invited to attend the George Washington Birthday Banquet being held at the West Valley Centennial Park Community Room. The Utah Daughters and Utah Society Sons of the American Revolution will be combining to commemorate the leadership and life of our country's beloved hero, George Washington. The public is invited!

Those who have become members of the Sons of the American Revolution but have not had the opportunity to be formally sworn in as members are invited to participate in the **SAR new member induction ceremony** which will take place prior to the banquet at **5:30pm**. Please bring the membership certificate you received from National SAR.

Our **guest speaker, Pamela Romney Openshaw**, who is well read and informed concerning America's founding, especially the Founding Fathers, has authored an exceptional book, "Promises of the Constitution: Yesterday, Today and Tomorrow." Mrs. Kimberly Fletcher, President - Home Makers for America said, "Promises of the Constitution" is an outstanding book. It is well presented, easy to read and full of stories that clearly demonstrate why this document is important to us as individuals and families. I can declare without hesitation that every parent in America should own a copy of this book, read it, refer to it often, and share it with his or her children.

Others have said, "I can't put Pam's book down! It's different. It captures the beginning student, and people like me who know our history. I pause at the end of each section in awe of what our Founders gave us."

Pamela's love of country, family, and life itself led her to do public speaking; she shares her optimism for the strength, integrity, and willingness of today's patriotic Americans. Her great desire is to plant a love for the Founding Fathers, of the liberty they established, and the document that enshrined it, in the hearts of all Americans. Plan to join us for an uplifting, inspiring and patriotic evening!

Books will be available for sale, and the author will be available to autograph them.
