Red Cliffs of Zion Chapter Sons of the American Revolution

Headquartered in St. George, Utah, the Red Cliffs of Zion Chapter of the Sons of the American Revolution issues a call to eligible patriots from all counties of Southern Utah.

Our Purpose

The National Society of the Sons of the American Revolution is a non-profit, non-partisan organization dedicated to promoting patriotism, preserving American history, and teaching American history to future generations. These efforts focus on America's great "Charters of Freedom":

- *The Declaration of Independence*
- *The United States Constitution*
- *The Bill of Rights*

These Charters of Freedom represent what Thomas Jefferson called "the creed of our political faith; the text of civic instruction."

Chapter members are honored to sponsor or participate in events such as color guard ceremonies, American flag retirements, and Wreaths Across America.

SAR frequently joins with like-minded organizations such as the Daughters of the American Revolution and Children of the American Revolution in community events such as plays, musicals, and other events to celebrate national holidays, including:

- Washington's Birthday
- Shot Heard 'Round the World
- Independence Day
- Constitution Week
- Veterans Day

Help Us Ring the Bell of Freedom

To kindle fires of patriotism we support worthy causes in schools, civic groups, and summer camps to celebrate our soldiers and first responders... those who have sacrificed so much for the freedoms we enjoy.
