"Celebrate America" Program and Banquet

Pamela Romney Openshaw
Keynote Speaker

You, your partner and guests are cordially invited to attend the Utah Society SAR "Celebrate America" Banquet. The Utah SAR will be recognizing patriots and outstanding citizens who represent the cherished values of our noble society. We will be honoring Utah SAR's top JROTC Cadet.

Our banquet keynote speaker is an accomplished author and public speaker. Her expertise in America's founding history, especially our Founding Fathers and Mothers, has delighted audiences for years. Mrs. Openshaw has authored an exceptional book, ***Promises of the Constitution: Yesterday, Today and Tomorrow***. Mrs. Kimberly Fletcher, Founder - Moms for America said, "Promises of the Constitution" is an outstanding book. It is well presented, easy to read and full of stories that clearly demonstrates why this document is important to us as individuals and families. I can declare without hesitation that every parent in America should own a copy of this book, read it, refer to it often, and share it with his or her children." Others have said, "I can't put Pam's book down! It's different. It captures the beginning student, and people like me who know our history. I pause at the end of each section in awe of what our Founders gave us." Pamela's love of country, family, and life itself led her to public speaking; she shares her optimism for the strength, integrity, and willingness of today's patriotic Americans. Her great desire is to plant a love for the Founding Fathers, of the liberty they established, and the document that enshrined it, in the hearts of all Americans, young or old. Plan to join us for an uplifting, inspiring and patriotic evening!

Books will be available for sale, and the author will be available to autograph them.
